Good Morning:

I represent plaintiff in the matter of Fishman v City of New Rochelle, 19-cv-265-NSR. I request that the court immediately seal and remove from public view exhibit 1 to the declaration filed under ECF docket entry 67. This was an inadvertent filing without a request to seal. While I do not agree the information contained in there is of the nature that must be sealed, defense counsel has demanded it be sealed as the individual it involves is an active police officer. Thank you.

I will be immediately filing a motion with the assigned district judge to confirm this sealing, but please immediately seal temporarily.

Good morning,

Dkt. 67-1 has been placed under seal. Please refresh and attempt to view the document, it should be restricted.

Please be sure to make the appropriate application with the Court per ECF Rule 21.7 and review the Judge's individual rules.
